

LATAA Football Academy

PARENT/CARER PHOTOGRAPHY AND VIDEO POLICY

1. PURPOSE

LATAA Football Academy may take photographs and/or videos of players during training sessions, matches, tournaments, events, presentations and other academy activities.

With parental/carers consent, images and videos may be used to promote LATAA and showcase player development through:

- LATAA's website
- Official social media platforms
- Promotional and marketing materials
- Academy newsletters and communications
- Match and event updates

LATAA will use all photographs and videos appropriately and responsibly, in accordance with its safeguarding and data protection procedures. Images will be selected with consideration for the dignity, privacy and wellbeing of players.

2. CONSENT

Consent will be requested from a parent/carers before photographs or videos of a player are used or published for the purposes outlined in this policy.

Providing consent is voluntary, and choosing not to give consent will not affect a player's participation in LATAA Football Academy activities.

Parents/carers should be aware that images and videos shared online may be viewed, copied or shared by others outside of LATAA's control.

3. WITHDRAWING CONSENT

You can withdraw consent at any time by contacting LATAA Football Academy in writing.

Following withdrawal, LATAA will take reasonable steps to stop using the player's images or videos in future publications and promotional content.

However, LATAA cannot guarantee the removal of images or videos that have already been published, copied, downloaded or shared by third parties.

4. SAFEGUARDING

LATAA Football Academy is committed to safeguarding children and young people. Reasonable steps will be taken to ensure that photographs and videos are taken, stored and used safely and appropriately.

Images will not knowingly be used in a way that could cause embarrassment, distress or harm to a player. Staff, coaches and volunteers involved in photography or filming are expected to follow LATAA's safeguarding procedures.

5. DATA PROTECTION

LATAA will handle photographs and videos responsibly and in accordance with its data protection procedures. Images will only be used for appropriate academy-related purposes and reasonable measures will be taken to prevent unauthorised access or use.

Parents/carers can contact LATAA Football Academy if they have any questions or concerns about the use of their child's photographs or videos.
